

# Typefaces digitized by URW++

The service company URW++ Design & Development GmbH, Hamburg, digitized the typefaces for other foundries (Adobe, Berthold, Linotype etc.), but also produced its own typefaces, e.g. see the fonts URW Antiqua and URW Grotesk by H. Zapf (<http://www.sanskritweb.net/fontdocs/zapf2.pdf>). A catalogue of all typefaces autotraced and digitized by URW++ (using its own Ikarus system) does not exist. This file provides an overview of many, but not all, typefaces digitized by URW++.

Ulrich Stiehl, Heidelberg, 6-July-2005 and 5-December 2005
